- iv) To develop the personality of the student' community.

3. The context:

A student possesses social and moral values and also maintains social commitment. In view of this, our institution is planning and organizing various activities for the students. Abasaheb Garware Institute of Management Studies, Sangli is considered as a small replica of the society. The exchange of social and moral culture takes place through education. In order to fulfill the goals, the institution plays a very important role in shaping the social fabric and a student in different roles, such as learner, worker, friend etc. In view of the social culture, our institution has taken initiatives to help the community through our students in social issues much more important for the sustainable society. The girl students of our institution have a creative awareness about the social fabric in the society.

4. The practice:

In our society, there are lots of social issues like environmental issues, mental issues, child labor, female feticide, drug addiction and many more. Students should be aware of the above issues and this generation of students are young budding managers of tomorrow, they should

try to give small contributions to solve these problems. The above activity will trigger to throw some light in creating awareness about the social issues. The findings of these projects will bring name and fame to the institution.

The institution has a group of 6 to 8 students and with the help of these students, social issues have been selected. The group of students selected on specific social issues have to prepare a small presentation and explain the presentations in front of the expert committee. Further students are given social issues, problems to work on and come out with a certain outcome of the practice.

5. Impact of the practice:

Expert committee has been appointed to judge a group of students and evaluation made on the basis of certain criteria and amongst that three groups are selected and they are asked to work on social issues. The students selected for the social issues are awarded with various prizes to encourage them in the community. Feedback on these social issues from various stakeholders will be collected and later certain improvements are made in the well-being of the community. Hence, these projects will help the institute to raise its image in the society.

6. Resources required:

A good number of students having interest in social issues are required along with few teachers. Also medicines, food materials, clothes, and other necessary things are required when college visits the community.

Best Practice -2

The objective of the various activities undertaken for this is as follows

- i) To provide scholarships to the needy students.
- ii) To encourage the students to take social scholarship from the society
- iii) To uplift the economic condition of the needy and poor students.

iv) By providing the social scholarships, the students can complete their education without any hurdle.

3.The context:

The students taking admissions required some help for completing their education especially in finance. In view of this, our institution is planning and organizing various social scholarships for the students. Abasaheb Garware Institute of Management Studies , Sangli is considered as a small society to provide various scholarships for needy students. Apart from the above, the faculty members also provide certain scholarships to the needy students . Further alumni of the institution also provides various scholarships for poor and underprivileged students. Also, well-wishers of the institution help the students in purchasing the books and reading materials required for the study.

4.The practice:

In the beginning of the academic year various scholarships notices are put on the notice board so that students can apply for the same and get financial help from the government and non-government also. Those students who need scholarships from society can also apply and get the benefit for completing their education. Also, students can get scholarships in the form of cash and kind as per their need for the education purpose. Various scholarships from the philanthropist from the city also provides scholarships for the needy and underprivileged students. This type of practice has been carried by the institution from its inception and it will help the students to complete their education. Also some faculty members retired from the service can also provide various scholarships for the benefit of the students.

5.Impact of the practice:

Impact of the practice is that students who are unable to get admission because of their economic condition can also take admission and complete their education by taking various scholarships. Further it is not possible to provide scholarships for all the students applied. A committee constituted in the institution and this committee will scrutinize the students applied for scholarships and the scholarships have been sanctioned.

6.Resources required:

The list of scholarships available from the management is required at the beginning of the academic year. The persons involved in the social scholarships scheme must declare the amount of scholarship to be given to each student. Also the faculty members will check whether the student actually needs the scholarship for completing their education or not. And then the scholarship is sanctioned and released.

विषय : शैक्षणिक फी मध्ये सवलत मिळणे बाबत.

महोदय,

मी अर्जदार रमा कल्लाप्पा संजीवोळ शैक्षणिक वर्ष 2022-2023

MBA-I मध्ये शिकत आहे.

माझे अॅडमिशन हे सुरुवातीला ओपन कॅट्यागरी मधून केले आहे. सुरुवातीस माझ्या कडे माझे cast certificate नव्हते आणि म्हणून प्रथम ओपन मधून अॅडमिशन करून नंतर SC cast मध्ये अॅडमिशन बदल होईल या उद्देशाने हे अॅडमिशन केले होते.

आता माझ्याकडे माझे cast certificate मिळालेले आहे. पण मला माझे अॅडमिशन ओपन कॅट्यागरी मधून आले कारणस्तव मला cast validity certificate मिळत नाही.

सुरुवातीस अॅडमिशन ओपन मधून करून नंतर ते SC मध्ये कन्वर्ट होईल या आधारावर मी हे अॅडमिशन घेतले होते. मग आता अॅडमिशन मध्ये बदल होत नाही. त्या कारणस्तव मला SC cast चे फी सवलत मिळत नाही.

माझी ओपन अॅडमिशन असल्या कारणस्तव माझी फी 90,000/- रुपये आहे. तरी प्राचार्य सरांच्या सल्ल्यानुसार EBC फॉर्म भरून मला 22,24 रुपये फी सवलत मिळेल आणि मला 29,99 रुपये फी भरावी लागणार आहे.

माझी धरची परिस्थिती बेताची असल्याकारणस्तव मी ही फी भरू शकणार नाही. माझे वडील हे साह्या चहाच्या दुकानावर कामगार म्हणून काम करतात. आणि एवढी फी भरणे साम्हाला शक्य नाही. मी शिक्षण सोडव्याचा विचार केला होता पण आपणाकडे फी सवलतीस विचारणा करावी आणि मग पुढील निर्णय घ्यावा या विचाराणे मी हा अर्ज आपणास देत आहे.

माझी आर्थिक परिस्थिती दलाकीची असल्याने आपण मला माझ्या शैक्षणिक फी मध्ये रुपये 90,000 ची फी सवलत द्यावी

ही विनंती बाकी की देखील मी काही हफ्त्यामध्ये भरून देईल
तरी आपण मला ही की सवलत द्यावी.

माझे पुढचे शिक्षण हे सर्वस्वी आपणावर अवलंबून आहे.
तरी आपण माझ्या अजांचा संपूर्ण विचार करून मला सधर
की सवलत द्यावी ही विनंती.

शैक्षणिक	की	50,000	रुपये.
